- 3.4 oz / 100 mL: \$66.00
- 1.7 oz / 50 mL: \$42.00

## frequently asked questions

### **Why was Active Moist updated?**

We constantly seek to evolve and improve our formulas to keep pace with the latest scientific advances in skin care. We saw an opportunity to improve Active Moist's formula with the addition of a Prebiotic Moisture Complex that helps to maintain a healthy skin microbiome.

### **What is the difference between the new Active Moist and the original formula?**

The biggest difference is that the new Active Moist formula incorporates an oil-free Prebiotic Moisture Complex that helps balance oily and combination skin. We've retained the much-loved aesthetic of the original formula.

### **What is Prebiotic Moisture Complex, and how does it benefit skin?**

Active Moist's new Prebiotic Moisture Complex provides oily skin with an optimal combination of hydrating plant extracts and prebiotic benefits to help promote a balanced microbiome.
