

fact sheet

deep acne liquid patch

description

Invisible sulfur-based spot treatment transforms from liquid to patch to soothe, clear, and help prevent future breakouts.

key benefits

- Invisibly clears deep, hidden blemishes
- Soothes breakout-irritated skin + helps prevent future breakouts
- Safe for use during pregnancy

key ingredients

- **Skin-mimicking film** forms a semi-permeable patch that allows airflow while protecting skin from pollution and irritants.
- **Camphor** delivers a cooling sensation.
- **5% Colloidal Sulfur** helps combat breakouts for rapid skin clearing.
- **4% Niacinamide** helps soothe skin and fade post-breakout marks.
- **Proprietary TT Technology** and calming **Polylysine** work with skin's natural microbiome to help minimize oil.
- Polyphenol-rich **Pomegranate** extract helps smooth skin.

how to use it

Using fingertip, apply a small amount directly to skin at first feeling of breakout. Allow one minute to dry.

frequently asked questions

Can I use a sulfur-based product like Deep Acne Liquid Patch if I am allergic to sulfa drugs?

Yes, you can use Deep Acne Liquid Patch if you have a sulfa allergy. 'Sulfa' refers to sulfonamides, a class of drugs that includes some antibiotics. The Colloidal Sulfur in Deep Acne Liquid Patch is unrelated to sulfa drugs.
