

hey, **cambridge** let's get #dermalogicatrainned

Monday, October 28, 2024

10:00 am – 1:00 pm: Dermalogica Top 27s

A deep dive into Dermalogica's flagship products, highlighting the brand's evolution, commitment to quality, and strategies for effective client communication.

- **Brand Evolution:** Understand Dermalogica's journey and core values.
- **Beliefs and Standards:** Explore product development, ingredients, and safety.
- **Product Mastery:** Learn about the top 27 products and how to convey their benefits to clients.

1:40 pm – 2:40 pm Restore Post Care

An introduction to the Restore Post Care treatment, focusing on patient comfort and skin health post-procedure, featuring a live demonstration of the Cooling Biocellulose Masque.

- **Discover** the Restore Post-Care Treatment, which reduces discomfort and supports skin recovery.
- **Understand** why this service was created—to enhance patient experiences and overall skin health.
- **Live Demo** of the Cooling Biocellulose Masque in action—a professional-only masque that provides long-lasting cooling and hydration.

3:00 pm – 4:00 pm Melanopro Peel System

An educational session on combating hyperpigmentation with the Melanopro Peel System, including a review of the science behind skin tone, product insights, and a live application demo.

- **Review** the science of skin tone and hyperpigmentation
- **Discover** Melanopro product, treatment overview, treatment planning, and how it differs from other peels.
- **Live Demo** of professional application and discussion of at home use.
