

hey, **winnipeg** let's get #dermalogicatrained

Sunday, September 14, 2025

10:00 am – 12:30 pm *NEW* Pro Firm

The perfect treatment for clients looking to target signs of aging. Learn the science behind skin aging and discover the DermalogicaPro formulas that support firming and resurfacing. Experience a step-by-step demonstration of the newly updated Pro Firm technique using advanced NanoInfusion methods. Gain strategies to rebook clients and personalize home care for lasting results.

1:30 pm – 4:30pm Franchise Focus

Gain in-depth insight into all 10 Dermalogica franchises and learn how to confidently recommend each product to meet your clients' unique needs. Strengthen your retailing skills through interactive role-playing activities that bring real-world scenarios to life. Walk away with the tools to elevate client conversations and drive results through personalized product recommendations.

Monday, September 15, 2025

10:00 am – 12:00 pm: *NEW!* Sculpted Skin Powered by Neuroscience

Discover the science of facial symmetry and its powerful emotional impact in this transformative workshop. Dive into the formula behind our biggest launch of the year: **NEW NeuroTouch Symmetry Serum**—featuring key ingredients and sensorial elements designed to elevate results. Watch a live demonstration of the advanced **NeuroSculpt Massage**, including buccal techniques, that works from the inside out to release deep facial tension, refine contours, and promote a more balanced, harmonious appearance. Experience the **NeuroTouch Sculpting Technique** and unlock a deeper connection between skin and self.

1:00 pm – 4:00 pm LuminFusion

Experience a next-level skin treatment that fuses advanced exfoliation stacking, NanoInfusion with the Dermalogica Pro Pen, and LED light therapy to deliver visibly smoother, more luminous skin. Be among the first to preview the new **Plump Peel** and see how it integrates into LuminFusion during a live demonstration.

Register by August 29, 2025 to receive a complimentary gift!
