

hey, edmonton let's get #dermalogicatrainined

Sunday, September 28, 2025

10:00 am – 12:00 pm NEW! Sculpted Skin Powered by Neuroscience

Explore the science behind facial harmony and emotional impact in this immersive workshop. Discover the NEW **NeuroTouch Symmetry Serum** and experience a live demo of the transformative **NeuroSculpt Massage**—including buccal techniques—to release tension, refine contours, and elevate skin-to-self connection.

1:00 pm – 1:30 pm Sneak Peek: DermalogicaPRO innovation

Join us for an exclusive 30-minute preview session unveiling Dermalogica's next breakthrough in professional skincare.

1:30 pm – 4:00 pm NEW! Pro Firm

The perfect treatment for clients looking to target signs of aging. Learn the science behind skin aging and discover the DermalogicaPro formulas that support firming and resurfacing. Experience a step-by-step demonstration of the newly updated Pro Firm technique using advanced NanoInfusion methods. Gain strategies to rebook clients and personalize home care for lasting results.

Monday, September 29, 2025

10:00 am – 12:30 pm: Franchise Focus

Gain in-depth insight into all 10 Dermalogica franchises and learn how to confidently recommend each product to meet your clients' unique needs. Strengthen your retailing skills through interactive role-playing activities that bring real-world scenarios to life. Walk away with the tools to elevate client conversations and drive results through personalized product recommendations.

1:30 pm – 4:00 pm Pro Power Peel

Discover Dermalogica's customizable and powerful collection of chemical peels. Learn about the unique ingredients and how they target specific skin conditions. Experience a personalized peel demonstration and gain insights into best practices for preparation, post-care, and handling skin reactions. Enhance your skills and offer bespoke peel treatments to your clients
