

hey, **halifax** let's get #dermalogicatrain

Sunday, September 28, 2025

10:00 pm – 4:00 pm LuminFusion

Elevate your treatment expertise in this hands-on practical class featuring LuminFusion, Dermalogica's advanced skin service that combines nanoinfusion, professional-grade exfoliants, and LED technology. Learn to confidently use the **Pro Pen** to boost luminosity and deliver transformative results. Gain deep product knowledge and experience the full **LuminFusion** protocol through guided, in-person training. Perfect your technique and unlock new ways to enhance client outcomes.

Monday, September 29, 2025

9:30 am – 12:15 pm: NEW! NeuroSculpt Massage

Discover **NeuroSculpt Massage**, an exclusive 10-minute protocol that fuses expert touch with cutting-edge skincare science using the clinically proven **NeuroTouch Symmetry Serum**. This advanced technique, featuring buccal massage, visibly contours the face, releases deep tension, and enhances the skin-mind connection. Learn the art of facial symmetry, gain in-depth product knowledge, and receive hands-on training for immediate implementation. Plus, explore proven strategies to retail the serum post-treatment for lasting client results.

1:00 pm – 4:00 pm Pro Power Peel

Experience the power of professional peels in this hands-on practical training featuring Dermalogica's customizable **Pro Power Peel** collection. Learn how targeted ingredients address specific skin conditions and how to tailor treatments for optimal results. Gain confidence in peel preparation, post-care, and managing skin reactions through guided, in-person instruction. Enhance your skills and get holiday-ready with advanced peel techniques your clients will love.

Register by September 12, 2025 to receive a complimentary gift!
