retail	professional
1.7 US FL OZ / 50 mL **estimated number of uses**: 124 uses	3.4 US FL OZ / 100 mL **estimated number of uses**: 80 uses

application
Apply to clean skin. Allow to absorb, then follow with the rest of your skin care routine. Use twice daily.

key ingredients

Colloidal Oatmeal helps relieve itching and moisturizes to reduce tightness.

Biomimetic Complex with skin-replenishing lipids, phytosterols, and ceramide-like compounds nourishes and helps seal in moisture.

Cooling sensory blend with Northern Truffle Mushroom Extract helps comfort skin.

Encapsulated Calcium replenishes skin.

Ground Cherry, **Bisabolol**, and **Ginger** help repair damage to skin's moisture barrier.

Resurrection Plant hydrates, replenishes, and restores skin's resilience.

Prebiotic Glycerin and **Avena Extract** moisturize and support skin's microbiome.

benefits / top retailing points

Immediately calms and comforts reactive skin
